Behringer CORE X32

It's a '**One-Rack Attack**'! The Behringer X32 CORE takes the brain of the flagship X32 digital mixing console and packs it all into a single rack space. Combine the X32 CORE with their S16 digital snakes to effortlessly run sound with high I/O counts in multiple locations.

Behringer X32 Core Features:

- NEW - Auto Mix yields Dugan-style gain sharing
- NEW - X-Touch integration allows direct control of parameters over Ethernet
- NEW - Set up a full crossover without using a matrix mix
- NEW - Reverse polarity on your outputs for easy speaker alignment
- NEW - Redesigned X32-Edit app features a new interface, full screen capabilities, floating windows, configurable fader layers, and more
- 40-input channel, 25-bus, 1U rack-mountable digital mixing core for live and installed sound application
- 96x48 Digital Snake ready via dual AES50 ports featuring KLARK TEKNIK's SuperMAC networking capability for ultra-low jitter and latency
- 32 x 32 channel USB 2.0 audio interface
- iPad and iPhone apps for professional remote operation available free of charge (no host PC required)
- Two TRS outputs for local monitoring plus talkback mic input with trim control and front panel phones connector
- Main LCR, 6 matrix buses and all 16 mix buses feature inserts, 6-band parametric EQs and full dynamics processing, plus eight DCA and 6 mute groups
- Virtual FX rack featuring eight stereo FX slots includes high-end simulations such as Lexicon 480L and PCM70, EMT250 and Quantec QRS
- Networked remote control for show setups with on-screen software editor via Ethernet
- Powerful scene management for convenient handling of complex productions
- USB type-A connector provides file storage for uncompressed stereo recordings and show presets, plus system updates
- ULTRANET connectivity for BEHRINGER's P-16 Personal Monitoring System (sold separately)
- Built-in expansion port for audio interface cards or digital networking bridges
- MIDI In/Out for remote scene recall or controlling other MIDI equipment
- Future firmware updates downloadable from behringer.com free of charge
